Women's Class ~ Janis Swope (Craft Room)

* The Women's Class will be studying the book of James with the help of Elizabeth George's book, *"Growing in Wisdom & Faith"*. They will learn how to pray for the right things, perseverance through life's troubles, growing a heart of patience and planning your future with God in mind.

Book of Daniel ~ Shelli Prindle (Fellowship Hall)

* As the time of Christ's return draws nearer, students will find direction, key insights to what's ahead, and the way to stay strong in the midst of a culture growing more and more dark. Ultimately, we will find the hope of God's sovereignty over the times in which we live and the times that are yet to come.

Gospel of John ~ John Peles (Sanctuary)

This class will be continuing their study of the Gospel of John.

International Class ~ Bill Swope/Mark Lazzaro

* In the fall and winter classes, the sovereignty of God and God's creation as it pertains to His divine cycle of things will be covered. After that the lessons will cover the love of God and later, the calling of the prophets and the calling of God's people today.
