

BE JOYFUL – Even When Things Go Wrong

Taught by: Connie Niedermeyer

Room: Craft Room

The Ladies Sunday School Class will be studying the book of Philippians where a Roman prisoner writes of his “great joy”. He could be joyful even in bad circumstances with a physical ailment because his single-minded focus was on proclaiming Jesus Christ to others. He wanted others to experience this same joy and have a steadfast hope of eternal life in heaven with Christ. We will be discussing our “joy-stealers” and how to reclaim the joy promised by Jesus to his followers. With God’s help we can “break free” from being prisoners to a joyless life ruled by circumstances. Come and be “set free” from a joyless existence.
